Observance of Swami Vivekananda's Birthday

on 17.01.2024

Swami Vivekananda (January 12, 1863 - July 4, 1902), whose real name was Narendra Nath Dutta, played a major role in the spiritual enlightenment of the Indian masses of his time and spread the Vedanta philosophy in the West. He established Ramakrishna Mission for the service of the poor in India. To honour and remember his contributions, the National Youth Day is celebrated every year on January 12 since 1985.

The Cultural Committee of Sir Rashbehari Ghosh Mahavidyalaya observed the National Youth Day with the primary aim of sensitizing the students about the philosophies, principles and ideas of Swami Vivekananda. The students were motivated to be good citizens of India, thus contributing to the development of the country.

Swami Vivekananda's most inspiring quotes were displayed in the room:

1. "Relationships are more important than life, but it is important for those relationships to have life in them."
2. "Like me or hate me, both are in my favour. If you like me I am in your heart, if you hate me I am in your mind."
3. "Fill the brain with high thoughts, highest ideals, place them day and night before you, and out of that will come great work."
4. "Don't forget them who helped you. Don't hate them who loved you. Don't cheat them who believed in you."

5. "Anything that makes you weak physically, intellectually and spiritually, reject as poison."

The Principal Dr Debabrata Ghosh threw light on the life of Swami Vivekananda. Giving reference of world famous Chicago conference, he said that Vivekananda's was the only saint who is perceived as Vishwaguru. Vivekananda addressed the Chicago conference with such humble words, "My sisters and brothers of America "that it touched the soul of all present there in Chicago. Vivekananda's philosophy of life was taken as a path to service of humanity.

The IQAC Coordinator Dr Ankur Konar addressed the gathering and inspired the students and faculty audience to learn from the life of Swami Vivekananda. He very enthusiastically connected with the youngsters and faculty mentors to channelise their potential in an energetic and positive manner.
